Approved For Release 2005/11/23 : CIA-RDP80B01495R0012001-1

TO: Mr. Proctor - [] (7 JUL 1975)
THRU: []
FROM: []

SUBJECT: Airborne Reconnaissance
- SE Asia- Why Fly?

REMARKS:

1. Current reconnaissance missions over and around SE Asia are still being planned around the requirements prepared in early May by [] and approved by USIB 22 May 75 (copy attached).

4. What to do about all these flights?

--the intelligence requirement generating these was the gnawing fear of various military deployments in the area. Readouts of the missions flown show coverage of typical military related targets such as airfields, Sam sites, barracks, storage areas and lines of communication.
